

# Introduction to the autism progression framework

1

Day

**Gain an overview of the autism progression framework which is available free from the AET website.**

## Who is this training for?

This session is suitable for practitioners working with school-age pupils on the autism spectrum in both mainstream and specialist services. This may include:

- teachers
- teaching assistants
- Sencos
- any practitioner needing to map the progress of pupils

## What will you learn?

- Understand how the progression framework relates to the broader educational context.
- Familiarity with the content and key features of the progression framework.
- Skills in identifying learning goals and measuring progress for pupils on the autism spectrum in areas specific to their individual needs.
