

## Extra 52 Things to Support your Child's

### Speech and Language Skills.

#### Pretend Play

Pretend play is fantastic at sparking children's imagination, modelling new vocabulary and encouraging social interaction. The more you talk to children the faster they learn.

This is not a stick.....

It's a wand

It's a guitar

It's a shovel

It's a sword

It's a microphone.

It's a pencil

And anything else your child can imagine!

**Make it easier:** Prompt your child's imagination using words, pictures or actions.

**Make it harder:** Regularly change the object to maintain your child's interest, keep their imaginations going and continuously introduce new vocabulary.
