

SLCD Team App Evaluation Form

Name of App?

ME books:

Story time is such a special bonding experience and stories support the development of vocabulary too. So a perfect App to have some fun with.

Cost of the app?

Free with in store purchases available.

Who is the primary user?

Me Books is the eBook shop for kids aged 2-10.

What is the description for this app?

All your favourite books, comics and bedtime stories for kids in one award-winning app. You can even add your own narration and sound effects to create a truly personal library that lives on your mobile device. Choose from hundreds of popular books and comics hand-picked for children enjoying stories and nursery rhymes for the first time, playing with phonics or growing into fully fledged independent readers.

Website address for the app?

Google Play store

Alison says...

"Certain picture books on this app are interactive and can be personalised, features that I think children would find very engaging."

Sebastian says...

"I enjoy making my own stories on this app with my Dad."

Denise says...

"I think this is fabulous because it encourages families to read together and create stories of their own. It meets the needs of children of all ages."
