

Adam Noon Development Officer – Ecologist

Bachelor of Science (Hons), Associate member of Chartered Institute of Ecology and Environmental Management

Originally with a background in Investment Management, Adam has worked for the last 14 years in the conservation and environmental management sector.

Adam gained three years of experience working on habitat restoration projects in Australia and New Zealand before returning to England to work as a Countryside Ranger for 9 years with Birmingham City Council.

Adam joined Solihull MBC in 2015 to work with local communities, volunteers, contractors and agencies to manage, develop and designate Local Nature Reserves.
