

**Roy Lowe** ERDF Project Manager Solihull Habitat and Nature Improvements –  
Landscape Architect

*Bachelor of Arts (Hons), Dip LA (Diploma in Landscape Architecture), CMLI  
(Chartered Member of the Landscape Institute)*

Roy has been a landscape architect in local government for 20 years, at Solihull and Dudley Councils, and has been a chartered member of the Landscape Institute since 2005. He returned to Solihull Council as Project Manager for Solihull Habitat and Nature Improvements Project which is implementing ecological improvements to woodland, grassland and wetland across 28 sites in the borough's public open spaces.

He had previously overseen various landscape schemes at Solihull such as changes to park facilities and paths laid out at Tudor Grange Park, and the establishment of the green infrastructure at Lavender Hall Park, Marston Green Millennium Wood, and Elmdon Nature Park.
