

Jon Beesley

*BSc (Hons) Town Planning; Post Graduate Diploma in Town Planning; Post Graduate Diploma in Landscape Architecture; MSc Building Surveying; MRTPI; IHBC.*

Jon joined Solihull MBC as Senior Development Officer (Conservation) in January 2019, bringing with him over 27 years local planning authority experience in historic environment and urban design. Jon has led on a number of major regeneration projects involving the conservation and re-use of historic buildings. He advises on development proposals affecting heritage assets; design within historic contexts; the repair of historic buildings and the preparation and implementation of conservation area management proposals.
